

# WRONG MOVES

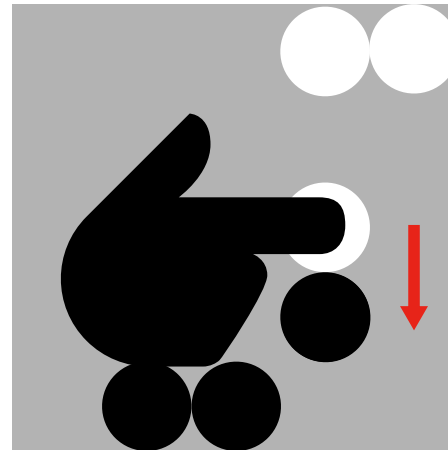

If you make any of these moves, your opponent might punch you in the face:

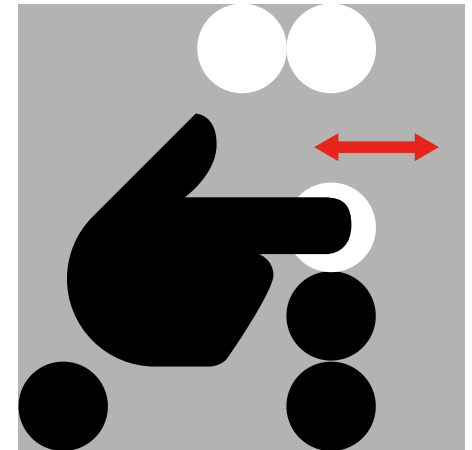

Never, ever move diagonally

Linked discs can't ever move sideways as one move.

One disc isn't enough to nudge an opponents disc.

You can't leave from and return to your original position in one turn.

**WARNING**  
CHOKING HAZARD - SMALL PARTS  
KEEP AWAY FROM SMALL CHILDREN

**RESPONSIBILITY**  
This game is not a toy and is aimed at  
players with big enough hands to play
